

TEACH Grant Request for Review

Student Name: _____ **B-Number:** _____

The Teacher Education Assistance for College and Higher Education (TEACH) Grant Program provides up to \$4,000 per year in grants for students who intend to teach full-time in high-need subject areas for at least four years at schools that serve students from low-income families.

At Binghamton University, only graduate level programs are eligible for TEACH grant funds. Part-time students are eligible, but the maximum grant will be reduced, see chart on TEACH web page.

The following instructions and checklist should help you to complete the necessary steps in order to be considered for and awarded the TEACH Grant. You must complete this form each year you wish to receive the TEACH Grant.

Before our office can review your eligibility, you must complete the following:

	I have reviewed the TEACH Grant policies on https://www.binghamton.edu/financial-aid/types-of-aid/grants/teach-grant.html
	I have completed the Free Application for Federal Student Aid (FAFSA) for the academic year I wish to receive the TEACH Grant.
	I have completed the 2024-2025 TEACH Grant Entrance Counseling at www.studentaid.gov
	I have completed the 2024-2025 TEACH Grant Agreement to Serve or Repay at www.studentaid.gov
	I have completed the student portion of the Academic Eligibility section and met with a representative in the Department of Teaching, Learning and Educational Leadership.
	I have completed the student portion of the Financial Aid section in this packet and met with a financial aid counselor to discuss the <i>consequences of not completing the TEACH grant requirements.</i>

The financial aid counselor will verify that you have successfully completed the above steps and adjust your financial aid package to include the TEACH Grant. **All steps must be completed before you will be awarded the TEACH Grant.**

To be completed by the Student:

By signing below, I certify that I understand that in order to receive TEACH funding, I must be enrolled in an eligible graduate program, as determined by Binghamton University, which will prepare me to teach as a highly-qualified, full-time teacher in a high-need subject area for at least four years at a school serving low-income students.

My signature on this form confirms my intention of receiving the TEACH Grant, which may become a loan as described above if I do not fulfill all federal requirements as determined by the U.S. Department of Education. I also confirm that the decision to accept the TEACH Grant is my own: if I do not agree to the fulfillment requirements, or I do not believe I will be able to meet them, I should not submit this form to the Binghamton University Financial Aid Office.
